Dear Parents and Staff,

The Mancos School District, parents, and students congratulate Dr. John Marchino on his announcement to retire at the end of the school year. A 34-year career in public education is a testament to the personal and professional commitment and diligence of Mr. Marchino.

Mancos School District has posted the 2022/23 Secondary Principal position internally for two weeks. At the end of the two weeks, a team will interview all qualified applicants. If a selection is not made from the internal pool of candidates, then the position will be posted externally.

The interview team may consist of the Superintendent, two parents, two staff, and two students. If you would like to participate as a member of the interview committee, please email Mr. Todd Cordrey at TCordrey@Mancosre6.edu. The positions on the interview team will be filled on a first-come basis.

Thank you for your interest and service to Mancos School District.

Respectfully,

Todd
