

Support Staff Recruiting/Hiring

Background checks

Prior to hiring and in accordance with state law, the district office or designee shall:

1. Conduct a background check through the Colorado Department of Education (the department) to determine the applicant's fitness for employment.

The department's records shall indicate if the applicant has been convicted of, pled *nolo contendere* to or received a deferred sentence for such crimes. The department shall provide any available information to indicate whether the applicant has been dismissed by or resigned from a school district as a result of an allegation of unlawful behavior involving a child, including unlawful sexual behavior which was supported by a preponderance of evidence according to information provided to the department by a school district and confirmed by the department in accordance with state law. The department shall also provide information regarding whether the applicant's license or certification has ever been denied, suspended, revoked or annulled in any state, including but not limited to any information gained as a result of an inquiry to a national teacher information clearinghouse.

Information of this type that is learned from a different source shall be reported by the district to the department.

The department will not disclose any information reported by a school district unless and until the department confirms that the allegation resulted in the person's name being placed on the state central registry of child protection.

2. Contact previous employers of the applicant to obtain information or recommendations relevant to the applicant's fitness for employment.

Credit reports

The district office will not obtain a credit report on an applicant unless the office has first notified the individual in writing, in a document consisting solely of the notice, that the district would like to obtain a credit report and requesting the individual's written authorization to obtain the report. A credit report will only be requested when the applicant submits a written authorization.

The district office will not rely on a credit report in denying an application unless the office has first supplied the applicant with a disclosure that includes a copy of the credit report and a summary of the applicant's rights. If an application for employment is denied because of the credit report, the personnel office will give the applicant notice that the action has been taken, as well as:

1. the name, address and phone number of the credit bureau supplying the report;
2. a statement that the credit bureau was not involved in the decision to deny the application; and
3. a notice of the applicant's right to dispute the information in the report.

Fingerprinting

1. All applicants selected for employment in a support staff position must submit a complete set of fingerprints taken by a qualified law enforcement agency or an authorized district employee and a notarized, completed form (described in 2 below) as required by state law.
2. On the form the applicant must certify either that he or she has never been convicted of a felony or misdemeanor charge, not including any misdemeanor traffic offense, or that he or she has been convicted of a felony or misdemeanor charge (not including any misdemeanor traffic offense). The form must specify the felony or misdemeanor, the date of conviction and the court entering judgment.
3. The school district will release the fingerprints to the Colorado Bureau of Investigation for the purpose of conducting a state and national fingerprint-based criminal history record check utilizing the records of the Colorado Bureau of Investigation and the Federal Bureau of Investigation.
4. Although an applicant may be conditionally employed prior to receiving the results, he or she may be terminated if the results are inconsistent with the information provided on the form. In accordance with state law, the employee or applicant ~~and~~ shall be terminated or disqualified from district employment if the results disclose a conviction for any of the following offenses:
 - a. felony child abuse, as described in C.R.S. 18-6-401;
 - b. a crime of violence, as defined in C.R.S. 18-1.3-406(2);

 - f. felony indecent exposure, as described in C.R.S. 18-7-302;
 - g. attempt, solicitation or conspiracy to commit any of the offenses described in items 1-f or
 - h. an offense committed outside of this state, which if committed in this state would constitute an offense as described in items a-g.

The district shall notify the district attorney of inconsistent results for action or possible prosecution.

Information report to state

1. In accordance with federal and state law, the district office will report the name, address and social security number of every new employee to Colorado State Directory of New Hires, P.O. Box 2920, Denver, Colorado 80201-2920.
2. This report, due within 20 days of the date of the hire or on the first payroll after the 20 days have expired, shall be submitted even if the employee quits or is terminated before the report is due. Upon termination, the employee's last known address, the fact of the termination, and the name and address of the employee's new employer, if known, shall be reported to the applicable court or agency.

3. Upon receiving a Notice of Wage assignment, the district shall remit the designated payment within 7 days of withholding the income according to instructions contained in the Notice. Child support withholding takes priority over other legal actions against the same wages.

Title I paraprofessionals

Prior to hiring paraprofessionals to work in Title I School-wide or Targeted Assistance Programs, the personnel office shall determine whether the applicant meets the qualifications required under federal law and regulations.

NOTE 1: District personnel shall submit the name, date of birth and social security number for each non-licensed employee to the Colorado Department of Education (CDE) as required by state law. C.R.S. [22-32-109.8\(11\)](#). The district shall notify CDE at the beginning of each semester about non-licensed persons who are no longer employed by the district. The purpose of this reporting requirement is to keep a central database at CDE so the Colorado Bureau of Investigation (CBI) can communicate with the district about any criminal activity involving school district employees whose fingerprints are on file with the CBI.

NOTE 2: Regarding the requirement that an applicant submit a notarized, completed form about his or her criminal history, state law defines "convicted" as: "[A] conviction by a jury or by a court and shall also include the forfeiture of any bail, bond, or other security deposited to secure appearance by a person charged with a felony or misdemeanor, the payment of a fine, a plea of nolo contendere, and the imposition of a deferred sentence or suspended sentence by the court." C.R.S. [22-32-109.8\(8\)\(a\)](#). Any district form used to certify an applicant's criminal history should reflect this broad definition of "convicted" to ensure that applicants disclose the legally required information.

NOTE 3: When CBI provides an update to CDE regarding those school employees previously subject to a fingerprint-based background check, CDE must provide that update to school districts. Each school district must then cross-check its employee list with the update and take appropriate action if necessary. C.R.S. [22-2-119\(4\)\(b\)](#).

NOTE 4: An employee who is terminated solely due to disqualification from employment for a felony domestic violence and/or a felony drug offense, as required by state law, may reapply for employment after five years have passed since the date the offense was committed. The law does provide exceptions to this provision, stating the district may conduct an assessment to determine if the applicant poses a risk to district students or staff, and also allowing a person who is ineligible for district employment as a result of such a conviction to submit a written request for reconsideration by the district. The law includes the specific factors for reconsideration at the applicant's request.
