

Non-School Employment by Professional Staff Members

The Board considers teaching and/or administrative duties in the district full-time employment.

Any other type of outside work by staff members shall be the concern of and warrant the attention of the Board only as it may directly prevent the member from properly performing his/her assigned functions during duty hours or be prejudicial to his effectiveness in his/her professional position.

Employees shall not engage in any other employment or in any private business during the hours necessary to fulfill appropriate assigned duties or use school resources or time towards any other employment or for any private business.
